## From the Vice Chancellor's Desk

Mahatma Gandhi University, one of the major affiliating universities in Kerala, is the premier educational institution that strives to fulfill the higher educational needs of the people of Central Kerala. Its headquarters is at Priyadarshini Hills, 13 kms off Kottayam and the campus is spread in an area of 110 acres. The University also has satellite campuses in parts of Kottayam and the neighbouring districts. The University was established on 2 October 1983 and has jurisdiction over the revenue districts of Kottayam, Ernakulam, Idukki and parts of Pathanamthitta and Alappuzha. Its academic universe consists of 18 University Schools/Departments, 8 Inter-University Centres, 10 Inter School Centres and 264 Affiliated Colleges. The University has achieved tremendous progress in securing a good number of **research and extension projects** under the auspices of national agencies and institutions like UGC, FIST, DRS, ISRO, COSIT, CSIR, DAAD, STEC, ICMR, BARC, MoEF, ICCR, ICHR, IED, IIFT, and the Sahitya Academy. There is considerable advance made in the University's execution of MoUs with research institutions of international reputation. The MoUs entered into with Max Planck Institute of Technology, Germany; Brown University, USA; University of Nantes, France; California Institute of Technology, USA; University of Toronto, Canada; Catholic University, Belgium; Heidelberg University, Germany; and the Institute of Political Studies, Rennes, France, and Jinan University, China are only a few of them. The School of Chemical Sciences and the Centre for Nanoscience and Nanotechnology, which have been active in sending researchers to foreign Universities, have sent the largest number of researchers during the last two years. The number of researchers who visited the University under their MoUs is the highest too. The University is top in the state in bringing the **highest amount of money by way of project grants** in the year 2011 and subsequent years. A major portion of the funds are being brought by the science departments alone.

The **web-enabled University Library** with its large collection of books, journals and e-journals as well as the **Online Thesis Digital Library** that provides open access to its collection of digitalised Ph.D dissertations are some of the notable achievements of the University during the last few years. This is the only University in the country which has made its Doctoral Dissertations Open Source for Worldwide Access. INTUTE has identified the University as the best in the country in putting its knowledge share as Open Source. This has earned the University the **Best Institution of E-Learning Facility Award** instituted by the state Government. Recently, the entry of the University's Publications Department to **knowledge book publishing**, the rejuvenation of various **Chairs in the University Departments**, initiation of the **Campus Area Networking**, development of **ICT supported teaching** (through smart classrooms) etc., have enabled Mahatma Gandhi University to assert and rearticulate its primary function as an important knowledge service provider in the country.

The achievements outlined here have placed the University quite prominently on the national academic map. Today Mahatma Gandhi University **is ranked first in the State, third in South India and thirteenth in the whole nation** by CSIR in terms of the **intellectual productivity of the faculty**. NISTADS has ranked the University **nineteenth in terms of the h-Index of the Science Faculty**. Some of the members of the faculty have very good publications in their areas of specialisation.

DST has ranked the University 8th among the 29 Universities with **DST recognition under PURSE** in the Country. Ours is the only University with software autonomy for computer automation and **Campus Area Networking**, and the only affiliating University in the Country with a **Centralized Admission Procedure (CAP)** for admission to both UG and PG Programmes. UGC cites Mahatma Gandhi University as **a national model for New Initiatives**. The University

is top in bringing **Nobel Laureates as Scholars-in-Residence** under the Government-sponsored Scheme of **ERUDITE**. The University has undertaken state level co-ordination of two scholarship schemes introduced by the Government of Kerala, the **ACQUIRE** and **Tanma** for nurturing social science brilliance and literary talent respectively.

University has secured the **prestigious Chancellor's Award for the best University** in the State for the years **2016 and 2018**. Similarly, University has **obtained 'A' Grade with CGPA 3.24** in the third cycle of NAAC reaccreditation which is highest among the Universities in the State.
